## SAMPOORNA SHIKSHA NEWSLETTER

We are delighted to share the latest developments and heartwarming stories from Sampoorna Shiksha. Our mission to provide quality education to underprivileged children continues to thrive, thanks to your unwavering support. This past summer, we successfully conducted two vibrant summer camps, enriching the lives of our young learners with both curricular and extracurricular activities.

The sessions were conducted at **Children of the World centre, Rabale & Pt. Motilal School in Nerul**. Our summer camps were designed to create an engaging and holistic learning experience for the children. The camps aimed to foster both academic growth and personal development, ensuring that our students not only catch up on their studies but also explore new interests and talents.

Read on to know more about the Summer Camps.

## Co-Curricular Activities

### Curricular Activities: Bridging the Learning Gap

Understanding the challenges faced by underprivileged children in accessing consistent education, our summer camps focused on reinforcing foundational skills in core subjects. Our dedicated volunteers and educators organized interactive sessions in mathematics, science, and language arts. Through innovative teaching methods, we were able to make learning fun and accessible, helping students build confidence in their academic abilities.

Some of the activities undertaken as a part of Curriculum was:

- **Maths** and language related activities like **crossword**, **clap games**
- Story and exciting information about **Shivaji Maharaj** and forts of Maharashtra
- **Handwriting** activities where the children were taught how to improve one's handwriting and the various techniques of good writing
- Spoken English sessions with various supporting activities

## *Extra-Curricular Activities*

### **Extracurricular Activities: Nurturing Creativity and Confidence**

Beyond the classroom, our summer camps buzzed with a variety of extracurricular activities. We believe that a well-rounded education includes the arts, sports, and social skills. Children participated in arts and crafts, and games. These activities not only provided a much-needed break from traditional studies but also helped children discover their passions and talents.

The extracurricular activities undertaken as a part of the camp were:

- Fun activities and games like three legged race, dog and the bone
- Art and craft activities including tie & Die and colouring,
- Joyful Yoga Session
- Creative and fun stories
- Problem solving techniques
- Self Defense sessions

## *Students' Achievements*

### Spotlight on Student Achievements

We are incredibly proud of our students' enthusiasm and accomplishments during the camps. Here are a few highlights:

- **Artistic Expressions:** Our arts and crafts sessions culminated in a colorful exhibition where students displayed their artwork. The creativity and originality shown by the children were truly inspiring.
- **Sportsmanship:** In our games sessions and self defence class, several students showcased exceptional talent and teamwork. These events emphasized the importance of physical health and cooperation.
- **Academic Progress:** We observed significant improvements in the academic performance of many students. The personalized attention they received during the camps played a crucial role in bridging learning gaps.

At both centres, the closing day was celebrated as a ceremony with special treats for children including ice-cream, wada pav and refreshing drinks.
